Height: 245 cm (96.5")

Width: 152 cm (59.8")

Description

Undoubtedly part of a set of bed hangings, designed all over with meandering branches bearing large exotic leaves, worked in deep blue worsted wools, the needlework historically re-applied to a replacement linen/cotton twill ground, consistent with the original ground, remnants of which remain within the leaf reserves

For a similar hanging see The V&A Museum, London, accession number T.72-1938
